

Dear Confederation Park Parents/Guardians,

For over 8 years the parents and teachers of Confederation Park Elementary have organized and hosted the school's very successful Art Show and Auction. This community building event showcases the students' art work while raising money through raffles, silent and live auctions and door prizes.

Funds raised help support Artist in Residence programs, field-trip learning opportunities, updated technology, unique sports programs, emergency preparedness supplies and so much more.

The success of such important events like the Art Show and Auction is reliant upon the support of the community, parents, friends, teachers, staff and businesses.

Preparations for the **November 2016 Art Show** have begun and we would like to extend an invitation to each and every one of you to participate in the event. We are looking for items from restaurants, spas, specialty stores, hotels, airlines, concert tickets, sporting stores or car dealerships. We are open to unique and new possibilities and items.

If you or anyone you know is in a position to help out, by connecting us to possible donors or by donating an item yourself, we'd love to hear from you.

If you have any questions or require any further information regarding donations for our Art Show, please do not hesitate to contact me @ silentauction@confedpac.ca

Thank you in advance for considering our event and helping Confederation Park Elementary School reach it's fundraising goals for the 2016/2017 school year!
